Dear Mr. Perlah-

I am writing in regard to an event which was held on November 28, 2015. This event was held at the College Street Music Hall during a Twiddle performance. WLF ran an incredible food drive at the event in which better than 3,500 pounds of canned, boxed and bagged food was collected and donated to the Downtown Evening Soup Kitchen.

When you contacted me, Mr. Perlah, I had no idea that the event about which you spoke would generate such a vast amount of food. DESK cannot begin to tell you the number of families and individuals your event has helped to feed. The food has been used at our meals AND in our weekly pantry.

Words cannot express our gratitude!! The DESK Board of Directors, myself and our guests send our deepest and most heartfelt appreciation to you and the White Light Foundation!!! What you do is incredible and the good that comes from it will continue for quite a while at DESK as we still have food from the event.

Gratefully,
